The number of members is limited to 10. The geographical distribution of the active members is crucial in order to widely represent the European community. When two or more applications are received from the same country, the selection is made considering the experience in the activities for which the WG is created. Evaluation is based on CVs included in applications.

“Members” identifies the active core of the WG. Other participants are indicated as “consultants” or “observers”

Best regards and thank you for your active support to all EFOMP activities.
